Editorial

Suddenly it's May and a third of the year gone already. Probably just my age, but time certainly does seem to fly! Overnight it seems, the trees have leaves and certain early blooms are finished already. Water still a worry with cracks appearing in the soil, so fill up those water butts. Or get one if you haven't already. Any old rubbish bin will suffice.

And now I'll stop with my Alan Titchmarsh impersonation and comment on how great the recent international evening was. Great to see this village event re-instated. All who came had a really enjoyable evening. Many thanks to the Drapers, Stokes and Mark Stalham who did most of the 'heavy lifting'. Also, of course, anyone else I forgot to mention, and all the cooks.

This month sees the Annual General Meeting of the Parish Council. Please do try and attend if you can. Having your say is important, if only to moan about potholes and road closures. But getting to hear about village matters is equally important.

I shall climb down from my soapbox now and go back to gardening.

Vicar's Letter: Are We There Yet?

We're not quite at summer, but we're definitely heading there! The evenings are longer, the weather (occasionally!) starts to behave itself, and there's that sense that something's just around the corner. School terms still have a fair stretch to run, but you can feel the direction of travel, and diaries are already beginning to fill with summer plans.

It's a bit like that question from the back seat on a long journey: 'Are we there yet?' The answer is, of course: 'Not quite… but we're getting there!'

In a similar way, 'Are we there yet?' is a question the Church might ask in May too. Easter has happened, a great moment of new life and resurrection, but we're not quite at Pentecost yet. Instead, we pass through Ascension, where Jesus returns to God the Father, and the disciples are left in that same in between space.

They've seen something extraordinary. Everything has changed. But they're still working out what it all means, and what comes next. It's that slightly awkward moment of knowing something big has happened… but not quite knowing where it leads.

Then comes Pentecost, the moment when the waiting gives way to something new. The Holy Spirit comes, the Church begins to take shape, and suddenly what felt uncertain starts to make sense. Things begin to move, and what lay ahead of the disciples begins to unfold.

If we're honest, that "not quite there yet" feeling is something we recognise. We all find ourselves in those in between spaces from time to time, waiting for the next step, the next season, the next thing to begin. And it can feel a bit uncertain.

And yet, this season reminds us that God is present there too. Not just in the big moments, but in the waiting. In the slow unfolding of God's plans, especially in the bits where it feels like not much is happening.

Maybe that's the invitation for May, not to rush straight to summer, but to notice where we are now. To pay attention to what's already taking shape, even if it's not fully there yet.

Across the Papworth Team there's plenty of space to pause and notice that kind of quiet, steady growth, in churches, schools, village halls, and all the ordinary moments that make up village life. If you'd like to be part of it, you'd be very welcome. You can find what's coming up across the villages at www.papworth.team or simply come along and see what you find.

New arrivals

Bergson, Brenda, Anson and Anna will be the new villagers moving into Highbank (Church Lane). They are from Hong Kong (via Cambridge and Cambourne where they are currently living while they renovate the property). We look forward to their permanent move to the village later in the year.

The Papworth Team is delighted to share that Revd Helene Tame has been appointed as our new Associate Priest and will be moving to the Rectory in Bourn in the coming months, with her husband Jonathan.

Helene and Jonathan write:

'We're excited to move across to Bourn and the Papworth Team and look forward to joining in and contributing to all that God has in store. We make the move after 12 years or so on Love's Farm, St Neots, where I've served as a pioneer minister and community chaplain. Jonathan works for Bishop Guli of Chelmsford on all her housing related work - she's the lead bishop for housing. Both people and place are really important to both of us and we come ready to give and grow and share in the unfolding story of the Papworth benefice. Our youngest son, Danilo will be moving with us, our other adult children live (mostly!) away from home. As soon as we're settled we look forward to getting to know you, sharing stories and coffee and gathering your garden tips and local knowledge!'

EASTER 2026

Many thanks to everyone who helped decorate the church for Easter. Although some families were away for the weekend the service was well attended. Thanks also to the Revd Dr Keith Eyeons, Chaplain of Downing College, who officiated at the service.

Annual Church Meetings Thursday April 16th

There were no candidates for churchwardens. The following were elected to the Parochial Church Council: Melissa Alexander, Christine Allison, Janet Clear, Monica O'Donnell, Peter Reynolds (Secretary), Linda Rimmer, Lee Steele. Jane Coutts was re-elected Treasurer.
The proposal to adopt a Joint Council legal structure for the Papworth Team Ministry was approved unanimously. The financial report showed a deficit of income over expenditure of minus £5,808 for the year to the end of 2025. The decline in income is now critical and the PCC will be launching an appeal for donations – especially for monthly or quarterly subscriptions by standing order – with a Gift Day on Saturday, July 11th to include a tea party in the Village Orchard. Anyone wishing to have copies of the various annual reports and the church's accounts, please apply to the Secretary.

Holy Baptism

Alex Beckett, the daughter of Nigel and Pat Hillyard of Payne's Farmhouse, was baptised by the Revd Nigel Pearson on the 19th April. Readings were given by Lilly Beckett and Debbie Bekkett; Patrick Dailly played Stevie Wonder's greatest hits; Nigel P popped several balloons; the congregation was liberally sprinkled by the children with holy water blessed at Ely Cathedral. A joyous occasion!

EastWest Rail Consultation

The consultation to gather feedback on updated proposals will run until midnight on Tuesday 9 June 2026. Details can be found at

Knife Angel Comes to Ely

The 27ft (8m) Knife Angel, made from 100,000 knives confiscated by police, and created by sculptor Alfie Bradley, will be positioned on Palace Green in Ely from 20 May to 17 June to highlight the impact of knife crime on people's lives.

There will be a knife amnesty in the city while it is there to encourage individuals to think twice, surrender weapons safely to police and have honest conversations about how we prevent violence before it happens. It is also an opportunity to engage our communities, particularly young people, to make them more aware of the risks and consequences of knife carrying.

The sculpture has been largely funded by the National Lottery, but local business and community groups are supporting the Knife Angel visit.

Last year, Cambridgeshire Police said 98 weapons or knives were handed in during the annual amnesty week across the county.

Nesting birds

The article in the April magazine (New laws for dog walkers) reminded me that it is now the time of year when ground-nesting birds will be sitting on their eggs. These are peewits, pheasants, partridges, yellowhammers and ducks. Do please keep your dog on a lead when you are walking around the fields to ensure that they are not disturbed. A bird may not come back to the nest if chased off and eggs will not hatch if they are not kept warm.

Also be aware that leverets (young hares) are born throughout the year and it is illegal to disturb them.

While we do not usually see sheep close to the village, there are horses in several fields who may kick out and injure dogs if they are chased or worried while they are grazing.

And, finally, a gentle reminder that dog waste is still not always disposed of in the bins provided. Please do your bit to help keep Kingston clean and tidy.

We liked this notice that we saw in the lovely Devon village of Lustleigh!

Many thanks,

Charlie

News Update from Bourn Primary

It has been wonderful to welcome the children back into school after the Easter holiday and hearing about all the exciting and fun things that they have been doing. In the last week before the Easter break the BSA ran the Easter Egg Hunt which the children thoroughly enjoyed, despite the weather conditions! My thanks go to the BSA team as events such as these really are a highlight of the children's year.
I would also like to make the wider community aware, if you are not already, of the Governments consultation over 'Growing up in the online world'. The link to the consultation can he found at https://www.gov.uk/government/consultations/growing-up-in-the-online-world-a-national-consultation and please can I encourage as many of you who are able to complete the consultation to do so. Thank you!

Before the Easter break Year 5 and 6 travelled to Cambridge University for a Science visit, EYFS had their sponsored ride, all children took part in the Easter Experience Day and Year 2 were visited by Sven and Olaf. The children thoroughly enjoyed all these activities and events and there was a real 'buzz around school'. My thanks go to everyone involved in organising, running and volunteering at these events to make them as memorable as they are.

At the time of writing, the Year 3 team are busy making final arrangements for their trip to Celtic Harmony and the Year 4 team are getting ready for their residential trip to Grafham Water. We are confident that the children will have a truly amazing time at both events.

Update from Cambs Fire and Rescue

Don't let a garden spring clean lead to fire

There are a few simple things which will help reduce the risk of having a fire:

- Dispose of garden waste using either a local waste pick up service, or take it to a local recycling centre. Do not light a bonfire!
- Ensure cigarettes are completely out.
- Do not leave glass bottles lying on the ground – the sun's rays through the glass can start a fire.

If you are planning to have a BBQ:

- Use barbeques on a hard, flat surface away from grass, shrubs or fencing
- Put disposable barbeques on bricks, do not place directly on grass.

Biker Down is a FREE course that offers motorcyclists the opportunity to learn practical skills to help avoid being involved in a crash, as well as essential first-aid training and advice on what to do should they find themselves first on the scene of a crash where someone is injured.
https://www.cambsfire.gov.uk/community-safety/road-safety/biker-down/

Our Older Driver Workshops are free sessions designed for those over 65 and currently driving, to help them keep driving safely for longer.

Guy Lachlan (Independent)
Tom Postlethwaite (Green Party)
Chiranjeevi Sandi (The Conservative Party)
Judith Louise Tustian (Labour Party)

What is a close pass?

A close pass happens when a driver overtakes a cyclist without leaving enough space. It's one of the most common causes of fear, near misses, and collisions on our roads.

Providing enough space isn't just considerate - it's the law. The Highway Code advises drivers to allow at least 1.5 metres when overtaking a cyclist at speeds up to 30mph, and to give more space at higher speeds. Cyclists may need to move to avoid potholes, debris, drains, or opening car doors.
For horses, leave at least 2 metres.

Why it matters

Giving enough space can:

- Prevent serious injuries
- Reduce stress for everyone on the road
- Encourage more people to walk and cycle safely
- Make our roads safer for everyone, no matter how short the journey.

Whether you drive, cycle, or do both, this is key to safer journeys.
