Vicar's Letter

I love maps! I've got quite a collection, and whenever I go to a new place, the first thing I try to do is get a map so I know where I am and where I'm going. It may seem old-fashioned in an age of GPS, but at least with a map the battery never runs out!

Most of the things printed on maps represent something physical – even the contour lines show actual heights – but there's one class of lines on the map which are different. These are the boundaries – between villages, districts, counties ... and nations.

Many such lines are simply historical accidents – though even something as minor as a parish boundary can cause problems for a couple wanting to get married in church. Boundaries between nations, though, are often drawn in blood – the results of conflicts. Borders are drawn by, and maintained (sometimes savagely) by, the rich and powerful, to prop up their vested interests. And because of this, they often bear little relationship to the communities of people who are affected by them. It would take far more space than I have even to just *list* the violence and conflict going on around the world right now as a result.

The church has just celebrated the feast of Pentecost, remembering how God's Holy Spirit came to the disciples after the risen Jesus had ascended to heaven. The Holy Spirit's first act was to tear up the map – breaching national, religious, even linguistic boundaries – and create a new community of Jesus' followers.

At a special celebration in Papworth Village Hall, I saw people from Bourn, Cambourne, Caxton, Elsworth, Eltisley, Graveley, Papworth, and probably more besides, many of whom had never met each other before. We all ignored the lines on the map in favour of what we shared: our desire to worship God through our Lord Jesus Christ.

It's not as if Christians are immune to divisions, borders, and boundaries – if only that were true! – but when we put those aside and celebrate what we have in common, amazing things happen. The same can happen outside church, too. The next time you find yourself on the “wrong” side of a line on the map, look instead at the faces of the people on the other side. You might be surprised!

Stephen Day

Tim Rogers

Tim Rogers has been helping with worship in Kingston over the last two years whilst training for ordination at Ridley Hall and living in Longstowe. He has made a lively, thoughtful and memorable contribution to the life of the church here, and elsewhere in the Team. Tim now leaves us to be ordained at Petertide in Norwich Cathedral on Saturday July 2nd, and will then serve his curacy in the 7-parish benefice of Redenhall and Scole, living in Harleston. We wish Tim, his wife Sarah, and their three sons, Isaac, Inigo and Raphael, every good wish and blessing for the future

Kingston Parish Church Endowment Fund update

Since the Endowment Fund appeal was launched at the beginning of April £6,000 has been received in donations. A very generous sum has also been given to the Restoration (fabric) Fund. In addition, one or two donors have preferred to give directly to the church's General Purposes Fund. Kingston PCC is extremely grateful to all those who have responded to the appeal. The total value of the Fund now stands at £42,000. We would like to think that we might increase this to £50,000 in due course, and any further donations will of course be most welcome. If you would like further information about the Fund, please contact the churchwardens, Jack Diggle or Peter Reynolds.

Garden open at Kingston Wood Manor Sunday 12th June 2 – 5pm

The gardens at Kingston Wood Manor will be open on Sunday, 12th June, between 2 and 5pm, by kind invitation of Julian and Sara Metherell. Teas will be served. Admission: £5 with children free. Access is from the A1198 1 mile north of Arrington: look for the signpost '*KINGSTON WOOD MANOR*'. Please note that children must be supervised by an adult at all times as there is open water. No dogs. All proceeds will be for the Church of All Saints and St Andrew, Kingston.

Church Fete bric-a-brac

Please put aside any spare china, kitchen and household items, ornaments and nearly new clothing for the bric-a-brac stall. Anything saleable in clean and good condition welcome.

Joan Reynolds

Church fete: plant stall

Any spare plants of any kind you may have will be very welcome for the plant stall: trees, shrubs, herbaceous, vegetables or house plants. Please pot and label them, if possible, and bring them to me at Pincote, Crane's Lane, by July 3rd. Also any horticultural items such as garden tools, clay pots etc.

Peter Reynolds

Kingston Fete – Bottle Tombola

Please donate a bottle to this popular game at the fete. I will be doing a house-to-house collection on the late afternoon of Sunday 3rd July. If you would like to make a donation but will not be around then, please take your bottle to Moat House, or contact me

Jack Diggle

Broadband for Kingston – Progress!

Your parish council met recently with representatives from BT Openreach and Connecting Cambridgeshire and had a very positive meeting. All present fully understood both the problems caused by the abysmally slow speeds currently ‘enjoyed’ in Kingston, and our dismay that the first phase of the Connecting Cambridgeshire project has brought little if any improvement.

The really good news is that the solution proposed by BT to bring superfast broadband to Kingston under Phase 2 of the project is Fibre to the Premises (“FTTP”) broadband. This is the most advanced form of fibre optic broadband and is currently only available in a few areas of the country. This theoretically means speeds of up to 300Mbps – a thousand times faster than currently received by many households in Kingston, those on the western edges for example.

This will be achieved by running fibre optic cables to Kingston and through the village using the existing telegraph poles. Households who wish to subscribe to the FTTP service will need an engineer’s visit as a fibre optic cable has to be run from the house to a manifold on the telegraph pole. This will be organised through your chosen Internet Service Provider. There will undoubtedly be an additional cost to install this service, but that is also true of other fibre optic broadband services. The existing copper telephone wires will remain in place, so those households who don’t want a fibre broadband service can simply ignore it and stick with what they have.

The expected timetable is to have most of the village cabled up by the end of 2016, and the remainder by mid 2017. Unfortunately there are a handful of households on the edge of the parish who cannot be reached by this service; they will have to hope that solutions being worked on for other areas, for example for the village of Arrington, can be extended to cover them instead. (More details in a future article, when we have them.)

For the latest updates check the Connecting Cambridgeshire website:

Bourn Primary Academy MUSIC MARATHON Grand Piano Fundraiser

A HUGE THANK YOU...

...to all those who were able to come along to the school on Friday 13th May and support the children performing in the Music Marathon. It was wonderful to see so many people from the community joining the parents for refreshments whilst the children performed continuously for a full 6 hours. Thanks also must go to those wonderful community members who, along with parents, donated many items for the tombola stall - it was hugely successful and much enjoyed.

We are delighted to announce that the event on the 13th on its own raised a marvelous £416, and we are now collecting in the sponsorship/donation money that the children have raised over the weeks up to the event and, so far, the total for the whole event stands at just under £3000!

A tremendous result and still counting, but an amazing start to reaching the £10,000 needed to replace our elderly Grand Piano, which has been an essential part of the School, and in constant use since it was donated to the School over 50 years ago. Unfortunately, it is now beyond reasonable repair.

If you would still like to support the fundraising by making a donation, please send to:
Grand Piano Appeal, Bourn Primary Academy, Riddy Lane, Bourn, Cambridgeshire CB23 2SP.

Please make cheques payable to BOURN PRIMARY SCHOOL FUND,
or make an online donation:

Account Name: **Bourn Primary School Fund** Sort code: **20-17-35**
Account no.: **23490580** Reference: **Grand Piano**

Police Seek Public's Help: Churches Warned To Be Vigilant

Thieves may be posing as genuine workers as they systematically strip lead from church roofs across Cambridgeshire, police believe. Following thefts from at least five churches in as many weeks, Cambridgeshire Police has asked the public to help thwart what are believed to be gangs of organised criminals exporting stolen metal by the container-load.

In Cambridgeshire, churches at West Wratting, Conington (which has recently joined our Papworth Team), Swavesey, Comberton and Abbots Ripton have recently fallen victim to metal thieves at a combined cost of hundreds of thousands of pounds.

Nearly all of the 344 churches in the diocese are listed buildings, most at Grade I, which puts them in the top 2.5 per cent of all historic buildings in the country in terms of their cultural and architectural importance. The damage caused can be irreparable and the risk is now deemed largely uninsurable, leaving remote rural communities with very large bills, which far outstrip any money the criminals make from selling on the metal."

Police are urging communities to be on the lookout for seemingly innocent workpeople in the vicinity of vulnerable churches and are urging anyone who sees metal theft in progress to dial 999 immediately, so that the thieves can be caught red-handed. The public is also asked to report 'workmen' near churches outside normal working hours on 01480 422888 or the police non-emergency number, 101.

Madingley Hall, CB23 8AQ - Open Garden for NGS.

Sun 5 2.30-5.30pm

C16 Hall (not open) set in 8 acres of attractive grounds landscaped by Capability Brown. Admission £5, child free. Home-made teas at St Mary Magdalene Church. 01223 746222.

Spotted Flycatchers - do you have this increasingly rare bird breeding in your garden?

Spotted Flycatchers are attractive little migrant birds which are summer visitors to UK village gardens and churchyards. Although they breed with us, they spend ten months of the year travelling between here and their wintering grounds in Southern Africa. This is an increasingly dangerous journey for them, and sadly they are in deep decline. Widespread losses amounted to a 50% decline during 1995-2010, continuing an 88% decline since 1970.

Only some fifty pairs remain breeding in Cambridgeshire, so it's now quite a rare bird, but most rural villages still have a pair or two. The Cambridge Bird Club is running a survey this year to find and monitor nesting pairs, and it's almost certain that there will be additional pairs in our villages of which they are not aware.

Do you have flycatchers in your garden?

Please let the Bird Club know. Please email spofl@cambridgebirdclub.org.uk with any

information you have, including records of single birds between now and September.

See also www.cambridgebirdclub.org.uk/spofl2016.html for details of the project and how to send in your records.

RENDEZVOUS 'HOLIDAY WEEK' 2016

4 days of activities & entertainment for the 'Young at Heart'

Tuesday 16th – Friday 19th August

At Papworth Everard Village Hall
(transport available)

Everyone welcome – Please telephone Anne Pettifor for more details: 01480 880672

Newsletter from our MP, Heidi Allen

As always, it has been an exceptionally busy few weeks with meetings with Ministers about Primary school testing, opening post offices and affordable housing schemes and a visit to a muddy Northstowe!

During recent visits to Swavesey and Hauxton Primary Schools, I chatted at length to staff, governors and Headteachers about Key Stage 1 and 2 testing. They expressed concern about the potential for excessive stress on the children and the appropriateness of some of the English grammar tests. Consequently, Nicky Morgan, the Secretary of State for Education kindly agreed to meet me and four

ladies I now refer to as my “Super heads” to discuss their concerns. We left the meeting feeling positive and encouraged that the Secretary of State had listened to us. Indeed, I am delighted that in the same month, Nicky has reviewed proposals to force academisation on high performing schools. I am encouraged to believe that the Primary school testing regime may thus be reviewed too.

Looking ahead to our leaders of the future, I was delighted to be invited to take questions from the students of Sawston Village College’s Politics Society. It was fantastic to hear their passion and enthusiasm, and an impressive level of political engagement, far more that I displayed at their age!

Last month I also took a visit to Northstowe, to see the almost complete Primary school and general progress on site. I am pleased to report that at long last, we will see houses being built towards the end of the year. Housing as you know, is one of our greatest challenges in South Cambridgeshire, especially affordable housing. So I was pleased to be asked to officially open a scheme of part

rent, part buy homes built by CHS in Whittlesford. Beautifully finished, they will be a great asset to the local community.

There were more reasons to celebrate as I opened the new post office in Cottenham and refurbished village stores and post office in Oakington. Post Offices provide a vital lifeline so I work on a regular basis with Post Office UK to ensure we keep ours going. I am currently working with councillors in Cambourne to try and identify a site there.

A final item worth mentioning as I sign off this month, is a meeting I had with Liz Truss, Secretary of State for the Environment, Food and Rural Affairs. I asked to meet

with her on behalf of a number of my farmers who were experiencing delays in their annual payments. I am told they should now all be completed by the deadline, but please do get in touch with Julia in my office if you are still waiting to hear.

You might recall from my last newsletter that I had been trialling a new “no appointment

necessary” surgery model. I have held two further such surgeries in Cottenham and Queen Edith’s which proved very popular with dozens of residents attending to talk to me about various issues. Please see my website www.heidisouthcambs.co.uk/residents-drop-surgeries for details of the next dates in Whittlesford, Papworth and Bar Hill.

As always, please don’t hesitate to get in touch if I can help you with anything. You can contact me by phone on 01954 212707 or via email at heidi.allen.mp@parliament.uk

Foodbank

If you, or someone you know, is in urgent need of food because of a sudden emergency (eg change to benefits, illness, job loss etc), you/they may be able to receive 3 days emergency food supplies from a local foodbank distribution centre. The nearest is in The Ark in Cambourne. Food is distributed to those who have a foodbank voucher. Various agencies can administer vouchers, including the church. If you are in need, contact Revd Stephen Day, Papworth Rectory, 01480 831915.

**Little Hands Nursery School - Bourn
Short Street, Bourn**

A private Nursery School specialising in quality preschool care and education for the under fives

High staff to child ratio, individual child centred planning & learning

The Kingston Poor's Land Charity

I suspect many people in the village are unaware of this local Kingston charity which exists to help anyone in need in the parish. The charity owns a plot of land next to the parish boundary within the parish of Bourn. The land is rented and this is the primary income of the charity. The trustees are appointed by the Parish Council and serve for 4 years. The current trustees are Joan Reynolds and Donal O'Donnell. The trustees receive no fees. The charity is registered with the Charity Commission (241398). (See <http://apps.charitycommission.gov.uk/> where there is a record of our annual returns). The charity submits an annual report to the Parish Council at the Annual Parish Meeting.

The origins of the charity are unknown. The earliest records we have go back to 1933 but I suspect the charity has been in existence for at least 100 years before that. Maybe some of the older residents of the village may know more about the early history of the charity.

The record book for 1933 lists the primary task of the trustees as:

"The charity shall be given away in cash to the poor of Kingston Parish at noon on the 21st of December of each year".

Payments of 1 shilling and 11 pence were made to each family for each of their children. The number of such payments made per year ranged from about 80 to over 100.

This continued until 1966 when the Charity Commission ruled: "that money should not be distributed in driblets (sic) but larger sums should be given in cases of special need." The charity continued to make the Christmas payments which were increased to £4 but the average number of recipients reduced to only about 5 people. Over the years since then the value of the individual payments has increased but the number of recipients varies according to need.

In 2000 the remit was reviewed to broaden the scope of the charity. The current remit is: We provide payments to individuals and organisations in the parish for the relief of poverty and for education and training. We provide help especially for children and young people, elderly people and people with disabilities.

From that time, we started making payments, usually book tokens to school leavers to support their further education and training. We still make some Christmas payments and we will make payments, as necessary, to support anyone who needs help, as and when it is needed. Payments are at the discretion of the trustees.

We consider making payments to anyone that we hear needs our help. If you know of someone who needs help in the village you may contact either of the trustees.

Joan Reynolds

Donal O'Donnell

You are warmly invited to attend an evening of **musical entertainment** at Bourn Primary Academy where, as is the tradition, you will be regaled by a host of **performers and artistes** kindly giving their time to raise funds to provide and enhance the children's musical experiences throughout the year.

!!! TICKETS NOW ON SALE !!!
